 4. Sec. 381.1(b) therein defining the term “department” shall include the Iowa department of agriculture and land stewardship.
 5. Sec. 381.1(b)(47) therein defining the term “secretary” shall include the secretary of agriculture of the state of Iowa.
 6. Sec. 381.1(b)(53) therein defining the term “United States” shall include the state of Iowa.
- These rules are intended to implement Iowa Code sections 189A.3 and 189A.7(8).

21—76.4(189A) Inspection required. Every establishment except as provided in Section 303.1 (a), (b), (c) and (d) of Title 9, Chapter III, Subchapter A, of the Code of Federal Regulations, revised as of November 1, 1996, in which slaughter of livestock or poultry, or the preparation of livestock products or poultry products is maintained for transportation or sale in commerce, shall be subject to the inspection and other requirements of those parts of Title 9, Chapter III, Subchapter A, of the Code of Federal Regulations, revised as of November 1, 1996, enumerated in rules 21—76.1(189A), 21—76.2(189A) and 21—76.3(189A).

This rule is intended to implement Iowa Code sections 189A.4 and 189A.5.

21—76.5(189A) Handbook 570 adopted. U.S.D.A. Handbook 570, a guide to construction and layout for U.S. inspected meat and poultry plants, February 1981, is hereby adopted in its entirety by reference, and the specifications therein are those required for the construction, equipment and layout for those plants identified in rule 21—76.4(189A).

This rule is intended to implement Iowa Code section 189A.5(6).

21—76.6(189A) Forms and marks. Whenever an official form is designated by federal regulation, the appropriate Iowa form will be substituted and whenever an official mark is designated, the following official Iowa marks will be substituted:

1. IOWA INSPECTION AND
CONDEMNED

2.

3. Exotic Carcass Brand

4. Exotic product label mark
of inspection

This rule is intended to implement Iowa Code section 189A.5(2).

21—76.7(189A,167) Registration. Every person engaged in business in or for intrastate commerce as a broker, renderer, animal food manufacturer, or wholesaler or public warehouser of livestock or poultry products, or engaged in the business of buying, selling or transporting in intrastate commerce any dead, dying, disabled or diseased livestock or poultry or parts of the carcasses of such animals, including poultry, that died otherwise than by slaughter, shall register with the meat and poultry section, department of agriculture and land stewardship, indicating the name and address of each place of business and all trade names.

This rule is intended to implement Iowa Code section 189A.7(7).

21—76.8(189A,167) Dead, dying, disabled or diseased animals. Persons shall not engage in the business of buying, selling, transporting in intrastate commerce, dead, dying, disabled or diseased animals, or any parts of the carcasses of any animal, unless they have been licensed for the purpose of disposing of the bodies of dead animals pursuant to Iowa Code section 167.2. All persons so engaged are subject to the provisions of Iowa Code chapter 167 and regulations of 21—Chapter 61, “Dead Animal Disposal,” Iowa Administrative Code.

76.8(1) All rendering plants engaged in processing fallen or dead animals into pet food and pet food processing plants shall be inspected by the meat and poultry section in accordance with Iowa Code chapter 167 before registration is approved.

76.8(2) The plant shall engage the services of a licensed veterinarian, approved by the department, to inspect carcasses for the presence of communicable disease or harmful contamination or adulteration and evidence of decomposition. Any of these conditions shall be cause for the carcass to be condemned as unfit for processing into pet animal food.

All compensation for the veterinarian employed by the rendering plant and pet animal food processing plants processing inedible meat and carcass parts for pet food shall be paid by the plant.

76.8(3) Fallen or dead animals which are recovered and transported to the processing plant shall be immediately skinned and eviscerated, except the lungs, heart, kidneys and liver, which shall be left attached to the carcass, and the carcasses shall be stored in a chill room with attached viscera until inspected and approved by a veterinary inspector. The stomach or stomachs, together with the entire intestinal tract, shall be tagged immediately with serially numbered tags and stamped with the word “inedible.” The word “inedible” shall be not less than one-half inch high. Condemned carcasses shall be deeply slashed on the round, rump, loin and shoulder, denatured with a ten percent solution of cresylic acid or other decharacterizing agent approved by the department of agriculture and land stewardship and removed to a rendering plant prior to the close of the working day.

76.8(4) The department shall inspect each place registered under Iowa Code chapter 189A or licensed under Iowa Code chapter 167 at least once a year, and as often as it deems necessary and shall see that the registrant conducts the business in conformity to both chapters and these rules.

76.8(5) Rendering plants and pet animal food processing plants may process fallen or dead animals into pet food where the animals are recovered and transported to a processing plant within a reasonable time following the death of an animal and before decomposition occurs.

76.8(6) Processing facilities, when located in or operated in conjunction with a rendering plant, shall be in a separate area equipped and used only for skinning, eviscerating, deboning, grinding, decharacterizing, packaging and labeling of inedible meat and carcass parts to be used in pet animal food. Rendering facilities approved by the department shall be available to process materials not suitable for pet animal food.

76.8(7) These rules shall also govern the collection, transportation and processing of other inedible material such as lungs, livers, hearts, spleens, poultry and poultry parts obtained from slaughterhouses, packing plants or other sources, to be used in the processing and manufacture of pet animal food.

This rule is intended to implement Iowa Code sections 189A.8, 167.5 and 167.14.

21—76.9(189A) Denaturing and identification of livestock or poultry products not intended for use as human food. No person shall buy, sell, transport, or offer for sale or transportation, or receive for transportation, in intrastate commerce any livestock products or poultry products which are not intended for use as human food unless they are denatured or otherwise identified.

76.9(1) All inedible meat and carcass parts shall be adequately decharacterized with charcoal or with other suitable agent acceptable to the Iowa department of agriculture and land stewardship. Inedible material shall be cut into pieces or chunks no more than four inches in any dimension. Following decharacterization, inedible meat and carcass parts shall be packed in suitable containers approved by the department.

76.9(2) Decharacterizing shall be done to an extent acceptable to the department. Decharacterization shall be done in such a manner that each piece of material shall be decharacterized so as to preclude its being used for, or mistaken for, product for human consumption.

76.9(3) All containers for decharacterized inedible meat or carcass parts shall be plainly marked with the word “inedible” in letters no less than two inches high.

76.9(4) Decharacterized inedible meat and carcass parts shall be frozen or held at a temperature of 40°F or less in the processing plant or during transportation to the final processor.

This rule is intended to implement Iowa Code section 189A.8.

21—76.10(189A,167) Transportation of decharacterized inedible meat or carcass parts. No person engaged in the business of buying, selling or transporting in intrastate commerce, dead, dying, disabled or diseased animals, or any parts of the carcasses of any animals that died otherwise than by slaughter, or any other inedible product not intended for use as human food, shall buy, sell, transport, offer for sale or transportation or receive for transportation in such commerce, any dead, dying, disabled or diseased livestock or poultry or the products of any such animals that died otherwise than by slaughter, or any other inedible product not intended for use as human food, unless such transaction or transportation is made in accordance with Iowa Code chapters 167 and 189A and 21—Chapters 61 and 76.

76.10(1) All carcasses and other inedible material received for processing, and all decharacterized inedible material shipped from the plant, shall be transported and delivered in closed conveyances. The conveyance shall be constructed in such a manner as to prevent the spillage of liquids and material and in accordance with rules 21—61.15(163) and 61.16(163), Iowa Administrative Code.

76.10(2) Rendering plants and pet animal food processing plants outside the state of Iowa, from which decharacterized inedible meat or carcass parts are shipped into the state of Iowa, shall be certified by the proper public officials of the state of origin that the processing plants meet at least the minimum standards as set forth in these rules.

This rule is intended to implement Iowa Code sections 189A.8 and 167.15.

21—76.11(189A) Records. Records which fully and correctly disclose all transactions involved in their business shall be kept and retained for a period of no less than two years by the following classes of persons:

Any person that engages in intrastate commerce in the business of slaughtering any livestock or poultry, or preparing, freezing, packaging or labeling, buying or selling, transporting or storing any livestock or poultry products for human or animal food;

Any person that engages in intrastate commerce in business as a renderer or in the business of buying, selling or transporting any dead, dying, disabled or diseased carcasses of such animals or parts of carcasses of any such animals, including poultry, that died otherwise than by slaughter.

76.11(1) All such persons shall afford the secretary and authorized representatives access to such business and opportunity at all reasonable times to examine the facilities, inventory and records thereof, to copy the records and to take reasonable samples of the inventory, upon payment of the reasonable value therefor.

76.11(2) Records shall include the following:

- a.* The name and address of the owner, the approximate time of death of the animal and the date the animal was received for processing shall be recorded for all animals to be inspected for processing into pet animal food.
- b.* The number of cartons or containers and the approximate weight of other material received from slaughterhouses, packing plants and other sources to be used in the processing of pet animal food.
- c.* The number of cartons, packages or containers of processed inedible meat and carcass parts and the weight of each carton stored.
- d.* Date of shipment, number of containers or boxes, weight of each shipment and name and address of the consignee of all inedible and decharacterized material shipped from the plant.

This rule is intended to implement Iowa Code section 189A.4(7).

21—76.12(189,189A) Movement of meat products into the state. Rescinded IAB 2/26/97, effective 4/2/97.

21—76.13(189A) Voluntary inspections of exotic animals. Every person wishing to obtain voluntary inspection of exotic animals shall comply with the regulations adopted in this rule.

Part 352 of Title 9, Chapter III of the Code of Federal Regulations, revised as of November 1, 1996, is hereby adopted in its entirety by reference.

This rule is intended to implement Iowa Code chapter 189A.

21—76.14 (189A) Voluntary inspection of ratites.

76.14(1) Every person wishing to obtain voluntary inspection of ratites shall comply with the guidelines adopted in this rule.

The document entitled “Ostrich Slaughter Inspection Guidelines,” published by the United States Department of Agriculture, Food Safety and Inspection Service, Slaughter Inspection Standards and Procedures Division, and dated October 3, 1994, is hereby adopted in its entirety by reference. In addition to the provisions found in that document, the following terms shall be included:

- a. The term “ostrich” shall include all members of the ratite family of flightless birds.
- b. The term “FSIS veterinarian” shall include the meat and poultry supervisory veterinarians of the Iowa department of agriculture and land stewardship.
- c. The term “program employee” shall include any employee or officer of the Iowa department of agriculture and land stewardship.
- d. The term “Humane Slaughter Act” shall include Iowa Code section 189A.18.

76.14(2) The federal rules adopted in 76.2(189A) will apply to the regulation of ratite food products, processing controls, and labeling.

76.14(3) Forms and marks used in the regulation of ratites will be as adopted in 76.6(189A).

76.14(4) The fee for ratite inspection is \$25 per hour for service rendered.

This rule is intended to implement Iowa Code chapter 189A.
